AURION 1984

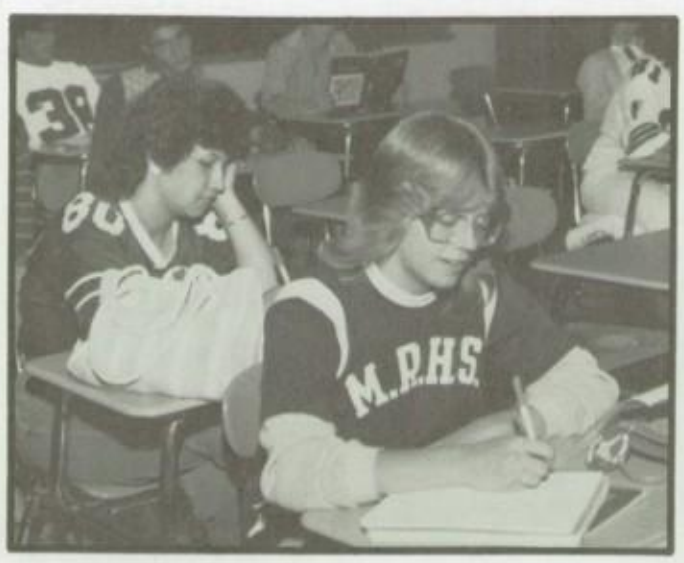
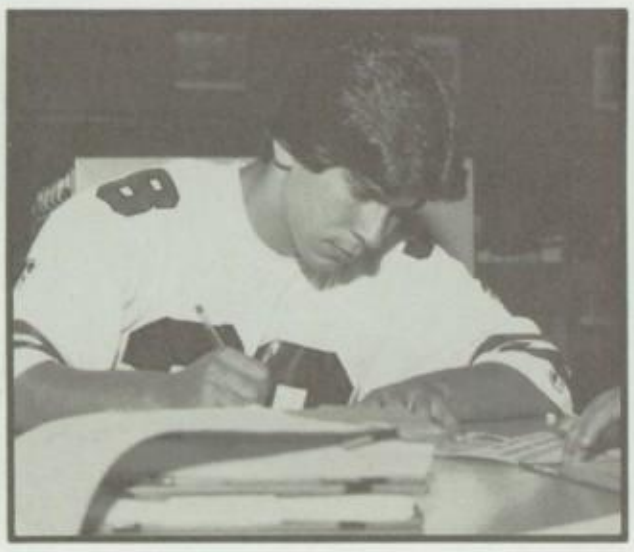
Manchester Regional H.S.
Haledon, N.J.

There are many students at MRHS, all with different goals, dreams and aspirations.

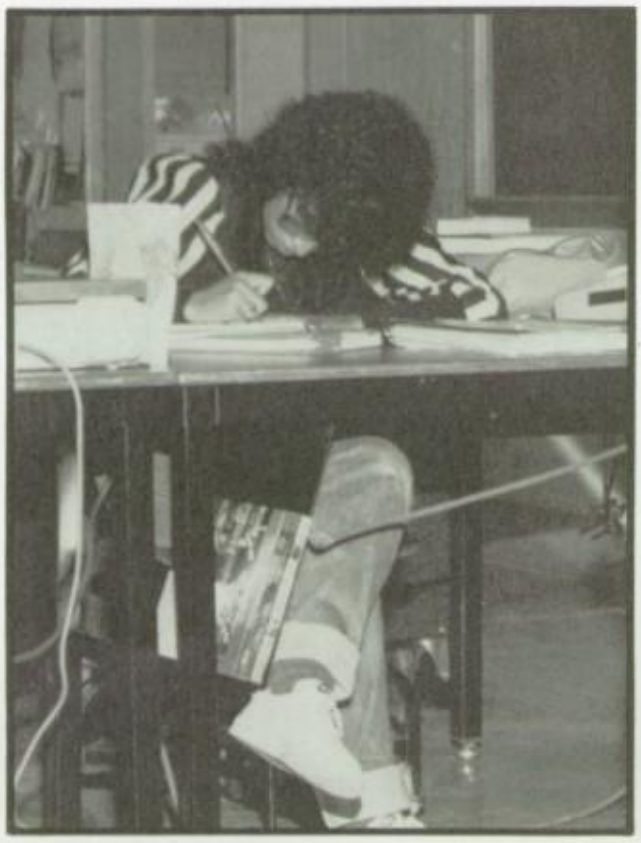
Among us
there exists
a unifying factor,

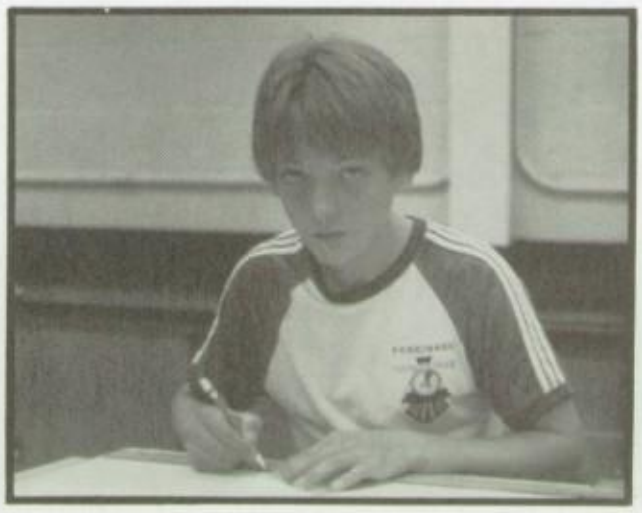


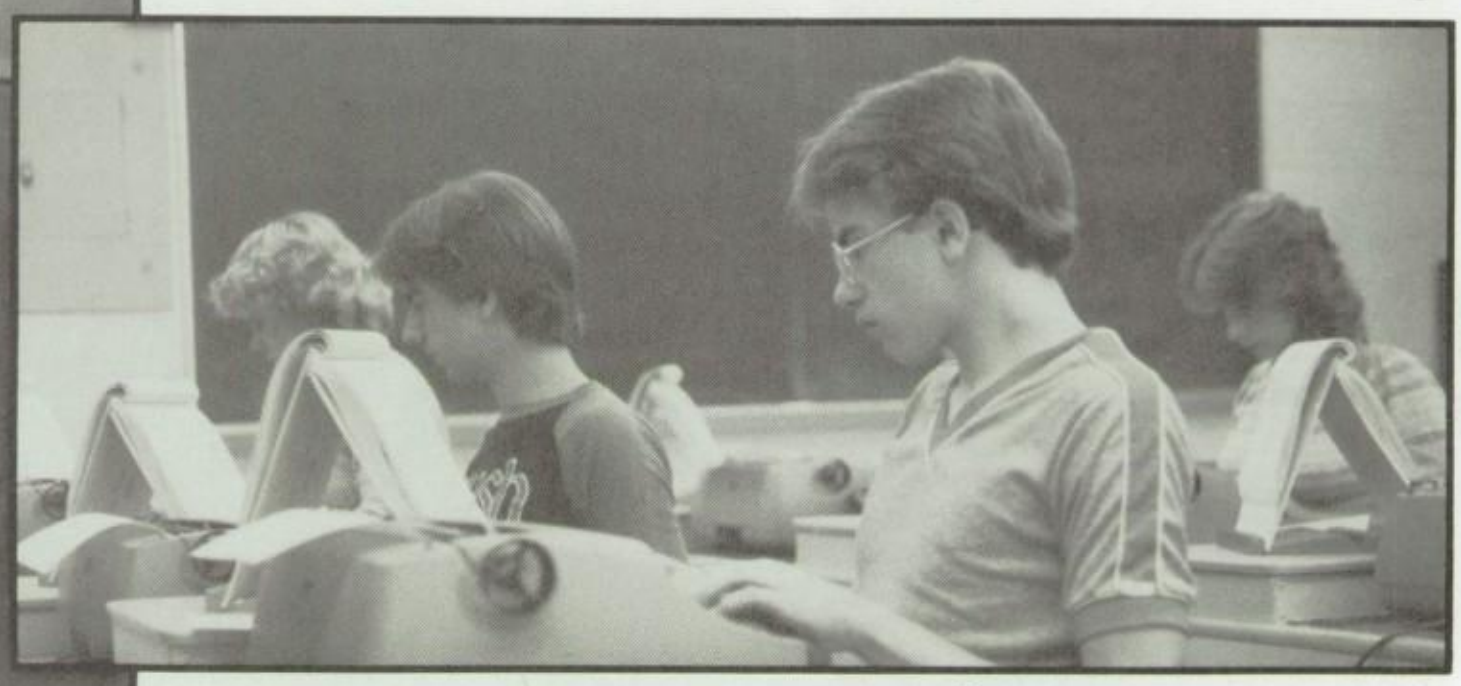


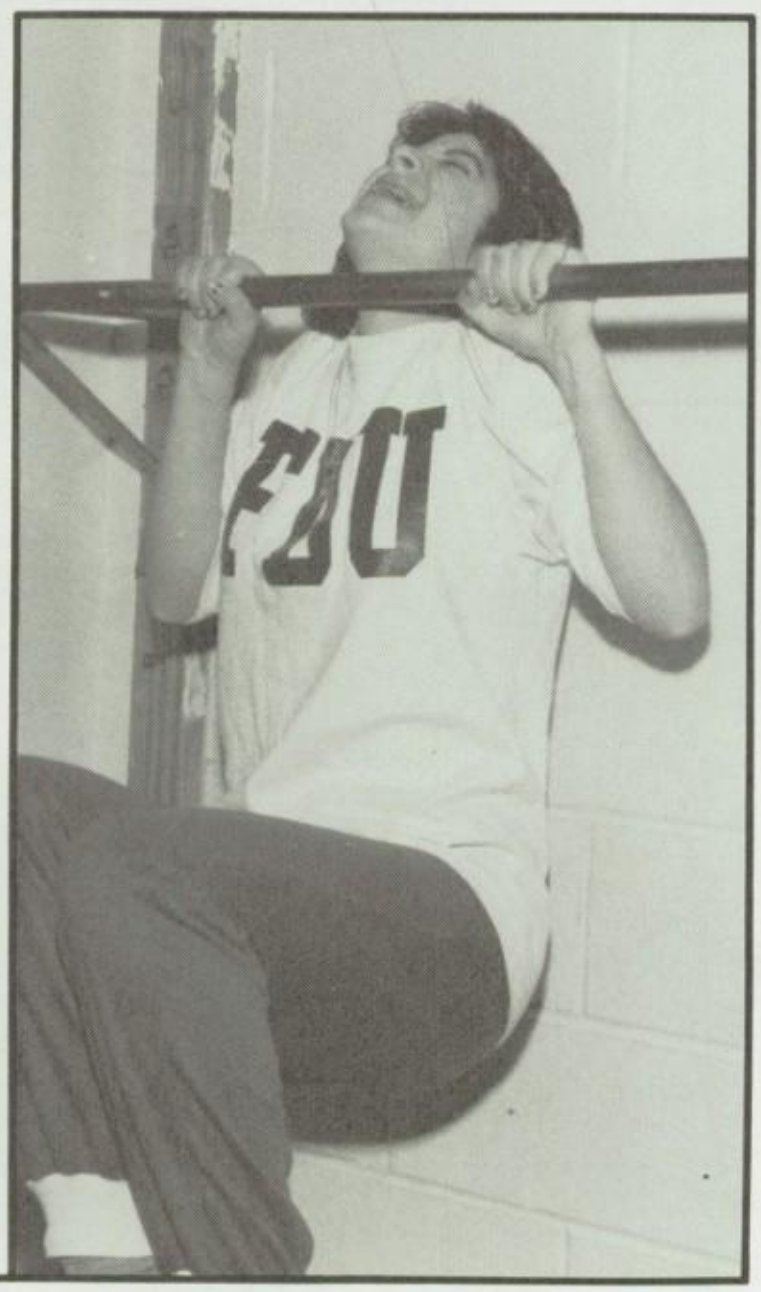
A unique awareness of all the things that are part of this feeling of belonging.

We are anxious to enter Adult Society



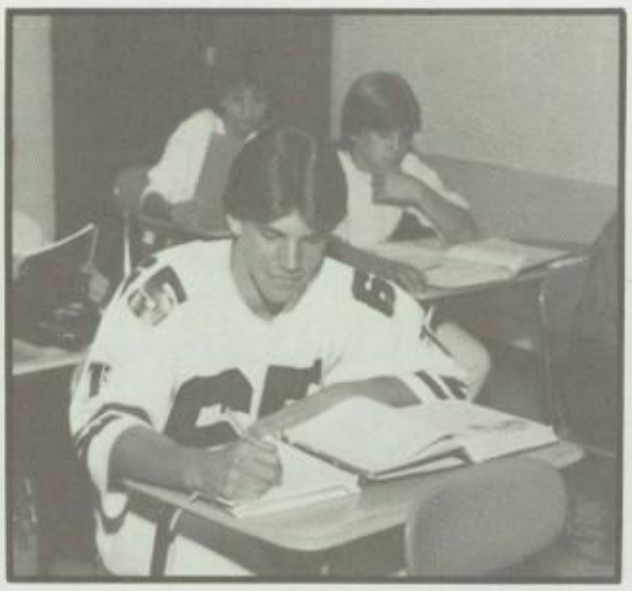






Yet reluctant
to relinquish
the security
of childhood.

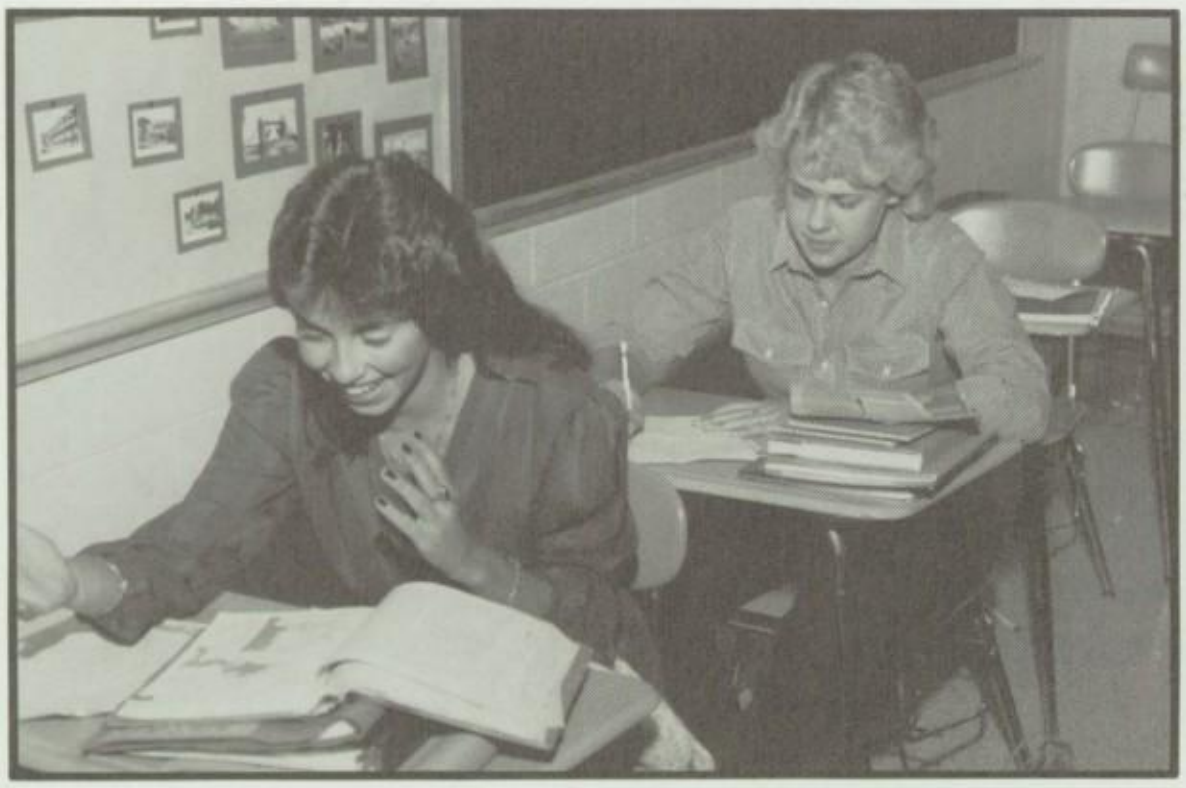
Four years seemed like an awfully long time . . .

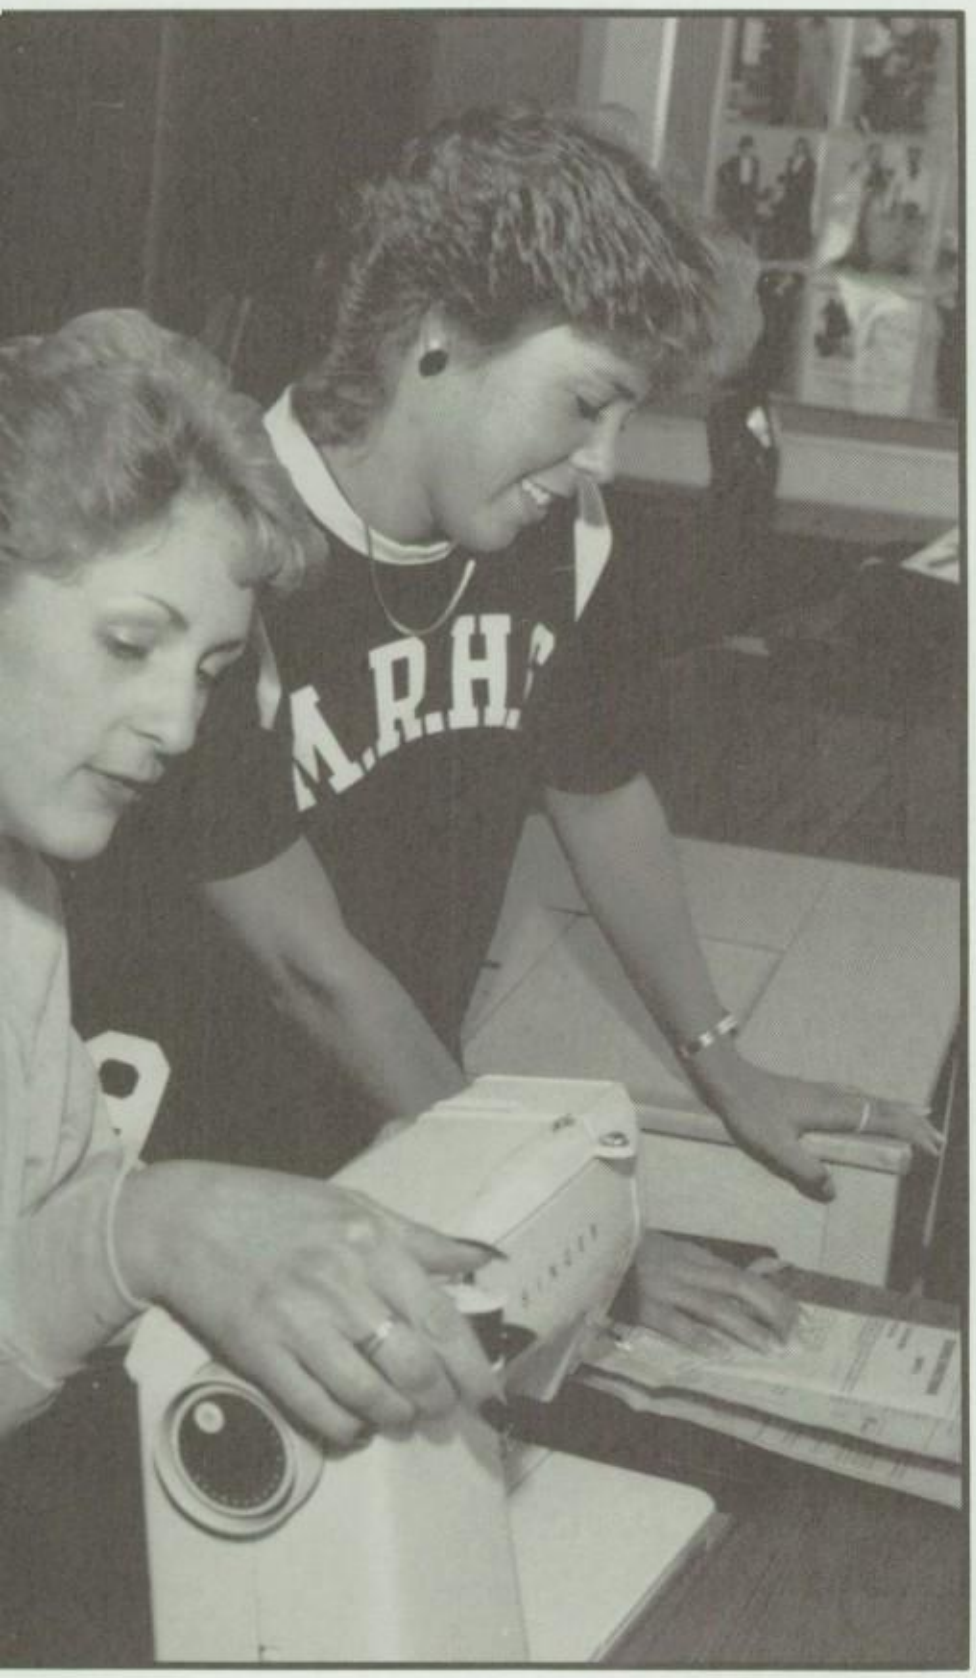


Until we got caught up
in the business of living them.

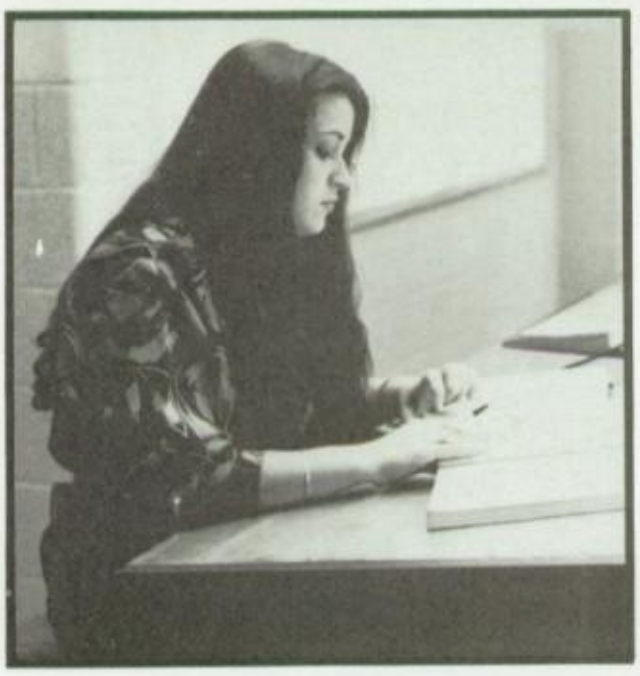
More than
a schedule
of classes . . .

Ours has been
a way of life.

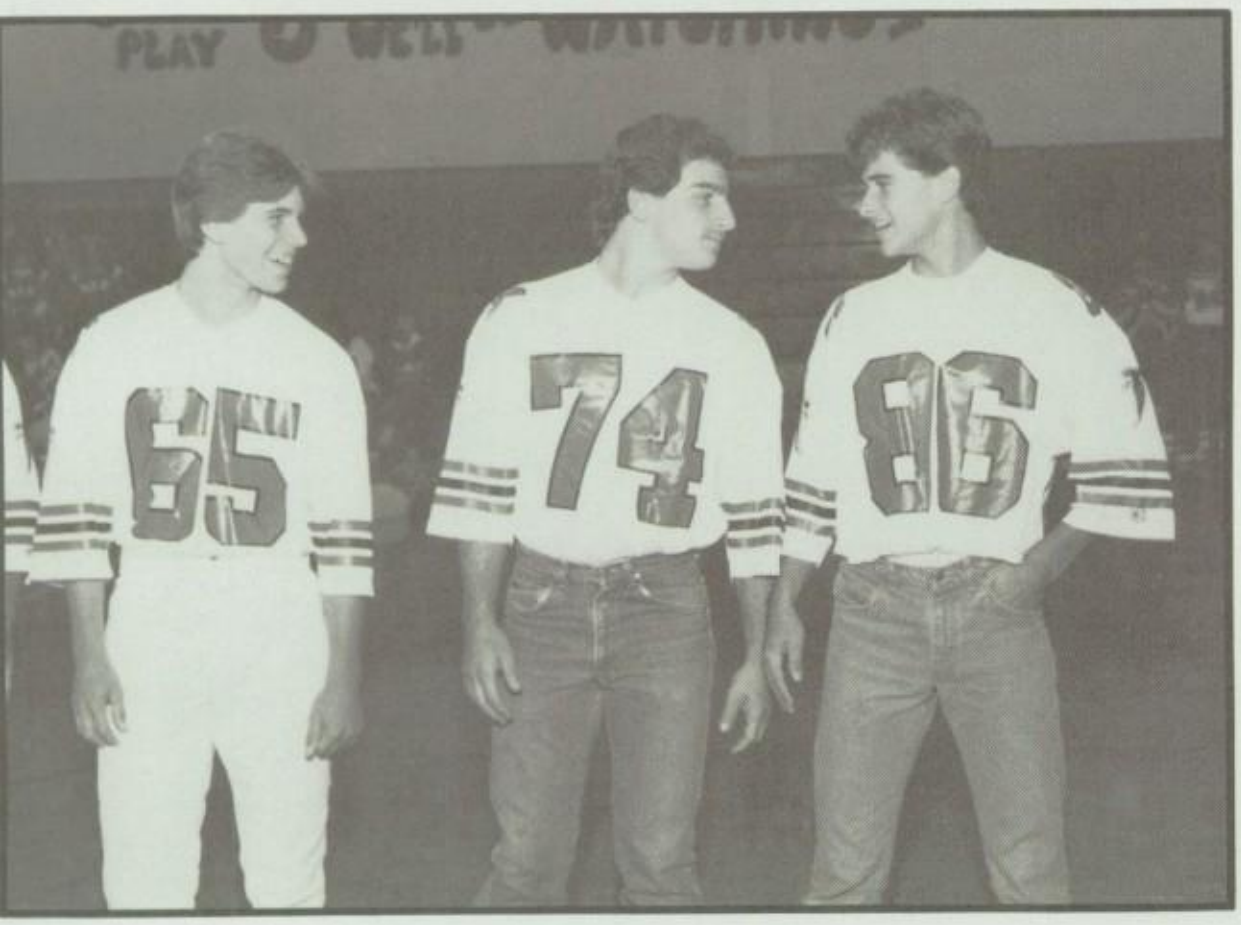




We live it
only once,

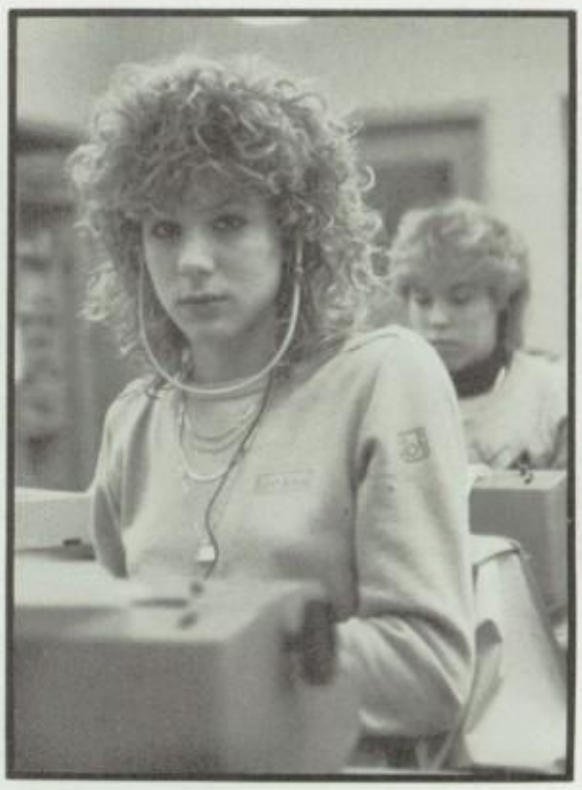


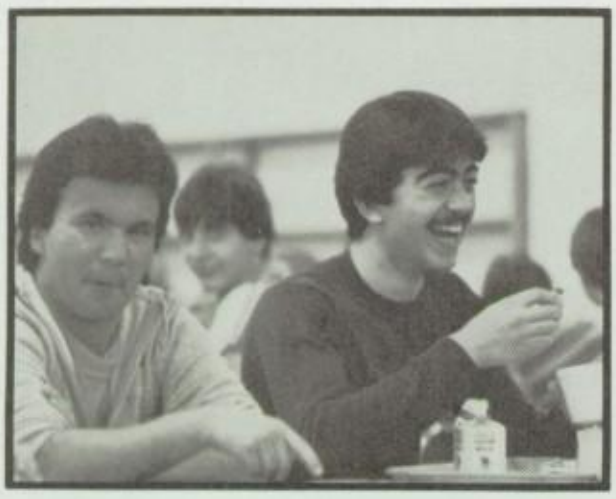
See clearly
maybe,
age certainly . . .



and grow wiser
if we are lucky.

The friends
and experiences
we've encountered
have helped
to define
who we are-
and who
we will become.





The close
of the year
has marked
for many of us
the conclusion
of an important part
of our life's
journey.

But we
will look back,
and we
will remember,
and a portion
of M.R.H.S.
will journey
with us always.

To The Class of 1984:

Your future is before you! Over the past several years you have worked and studied, practiced and played, and grown both mentally and physically. Now you are ready to begin your lives as members of the adult community.

For some of you this will mean a job and the responsibilities of family living. For others, this will mean college and further years of study and preparation. Whatever course YOUR future takes, it is my sincere hope that you will look back on your years here as having helped prepare you to meet and deal with the future challenges that life will present.

On behalf of the faculty and staff of Manchester Regional High School, I wish to each and everyone of you the happiness of a productive life, the respect of your fellow human beings, and the love of your family. May the future be yours.

The best of luck and congratulations to the Class of 1984.

Congratulations to the graduates of the Class of 1984! We have graduated members of a diverse group, held together with a common bond; Manchester Regional High School. The high school staff is proud to have shared in your achievements thus far. We trust that we have provided you with an opportunity for growth in learning skills to function in a very competitive society. You have developed attitudes and values which will allow for a very promising future.

May your future bring honor and credit to your parents, your teachers, and your community.

With Best wishes,

William F. Galese

Manchester's Iron Man

Achieving a goal one has set for oneself can be harder than accomplishing something someone else has set up for you to do. People always tend to push themselves harder than the next person would push them. Right here in Manchester we have the story of a man who pushed himself for his goal and achieved it.

Eleven years ago, Mr. Alphonse A. Dattolo started his consecutive days straight and he stuck to it. He finally accomplished 2000 days in a row on Friday, September 16, 1983.

When asked why he did this, Mr. Dattolo said he doesn't like being absent because he can't imagine anyone doing a job he's responsible for. Above all he knows the kids would be let down if he missed a day.

There are many days when Mr. Dattolo ('D' as his students affectionately call him(doesn't fell quite up to par. His medicine though is seeing the kids, and his attendance record is exemplary of this fact.

When asked, certain students had this to say, "He sets good examples for students and teachers alike."

"Even though I don't have him as a teacher it's good to know if I need him he'll be there."

"I know of students whom he has inspired into not being absent and bettering their attendance records."

"For him 2000 days are an easy accomplishment. I think he'll do 2000 more."

Mr. Dattolo's achieving his goal only proves that what he tells his classes is true. "If you want to you can; if you don't want to you can't." I think we should all learn from his sticktutiveness.

Manchester's Teachers Don't Just Teach

There is more to being a teacher than just teaching; many teachers lives extend beyond pencil and paper or classrooms and books. One way of creating those diversions is to have a hobby or hobbies. Our teachers are no different. Many of you do not know that Mrs. Sanders is a runner or that Miss Breier is a bowler.

Mrs. Sanders is not just a runner but, a mini marathon runner. She can run five miles if she works at it. Miss Breier is not just a bowler but was once semi-professional.

Mrs. Brown enjoys cross-country skiing and canoeing down the Delaware river. Mr. Sellarole plays guitar as part of a duo in New York State.

During her spare time Miss Berry can be found playing basketball, softball or water skiing. Miss Riley, a new teacher here at Manchester, performs in plays when she's not working.

Mrs. Sanchirico and her husband recently bought a house and she tells us that she enjoys doing things pertaining to the house, such as gardening and decorating. Mrs. Petkus can be found playing piano or biking. Mr. Libert enjoys hiking and camping. Ms. Schuring has her own jewelry business. This keeps her quite busy after school and weekends.

Mr. Zollo likes to write songs and make films. One of Mr. Zollo's films has been put on video tape. It is a horror film called **The Slither.**

Mr. Politinsky enjoys photography but, one of his other hobbies is music. He has always loved music. He has played in a jazz trio, cabaret shows here at Manchester, and now he plays in a community orchestra.

Mr. Phillips works during the winter in a Paterson shelter for the homeless. Mr. Crossley likes bird watching. Mr. Spreen enjoys being a handyman around the house. Mr. Ludwig likes to fish, hunt, garden and backpack.

Mr. Legg enjoys collecting coins, watching the stock market, spending time with his family, and being a minister at his church.

Mr. Dattolo's hobbies include taking endless graduate courses, being a fan of the Phillies (for 24 years), and above all being there when he is needed.

Besides the hard job of teaching our versatile teachers find the time to enjoy the things that they love. The things that make life enjoyable!

Dear Seniors:

Four years seem at first to be an eternity, yet the time fleets by. You enter Manchester as an adolescent and leave as a young adult. Some of you wished for the time to pass quickly—it has. Some of you took those four years and used each moment to the fullest—we acknowledge your accomplishments. We thank those who were active in the class; we hope those who were not also thank them. Our wish for all of you is a life filled with harmony, love and accomplishment.

Dear Classmates:
It has been a memorable four years for us here at Manchester. We, as a class, have been through the good times as well as the bad together.

In our Freshman year we all discovered the 12 minute run. Oh, how we all found an excuse not to take gym. Our first pep rally — "Freshmen, are you with us?" — and there was silence. Our first football game and feeling a part of the student body. Also, in our first year together we lost two members of our class, Kevin Gibbons and James Susen; they will never be forgotten.

In our Sophomore year the officers pleaded with us to bring in our dues, and our Chinese Auction was more work than fun.

Junior year was busy with everyone thinking about life's goals and struggling with part-time jobs. Our wheelchair basketball game was a huge success. The teachers had fun playing basketball even though some of them were on the floor more than in their chairs. Who can forget having the keys to the family car in your hand and having your parents check to make sure your license was authentic.

Now that the 12 minute run is easy, the dues are all paid, the scream for "Seniors, are you with us?" makes our throats sore, and the graduation parties are all over, our goals are pretty well set for the future. We can now look back and remember that Manchester was our place for learning, laughing, living, and sharing. May all your days ahead of you be healthy, happy, and successful.

The Senior Officers,

Barbara Amy

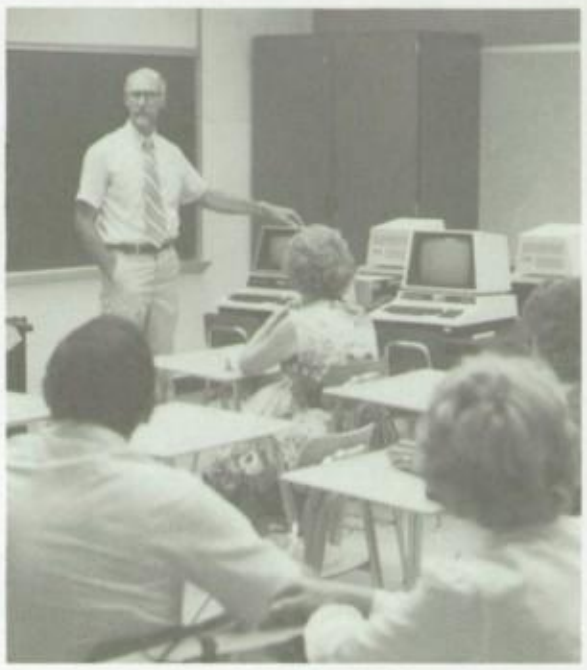
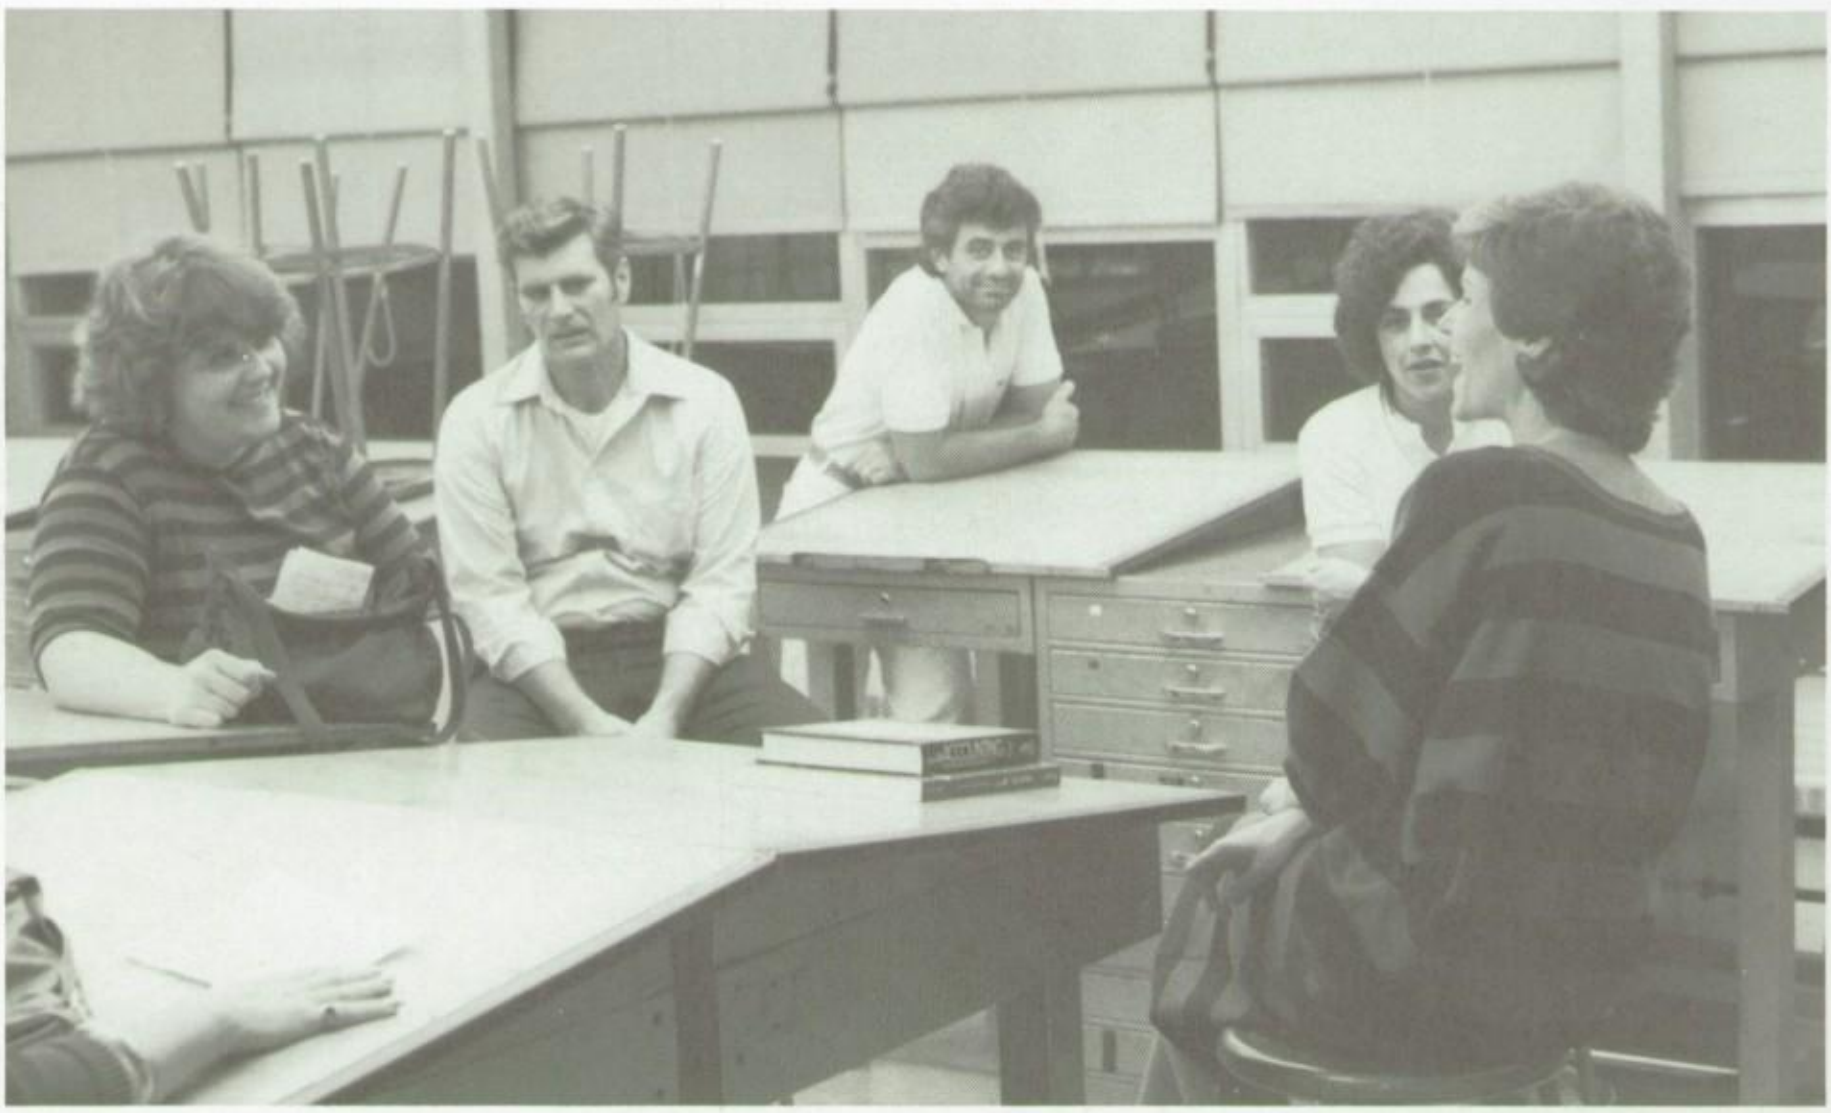
special events

Parents Come Back to School

Parents were cordially invited to attend a "Back-To-School Night" on Tuesday, October 4, 1983. Following a welcome in the auditorium, parents were given the opportunity to follow your schedule during ten minute class periods. During this time teachers discussed course content, objectives, and requirements. Any free time in your schedule gave parents the chance to visit the library, nurse's office and guidance department. The cafeteria and kitchen were open and serving refreshments. Parents were also invited to have lunch with their child, free of charge, any one day during that week. It was an experienced enjoyed by all those parents who attended.

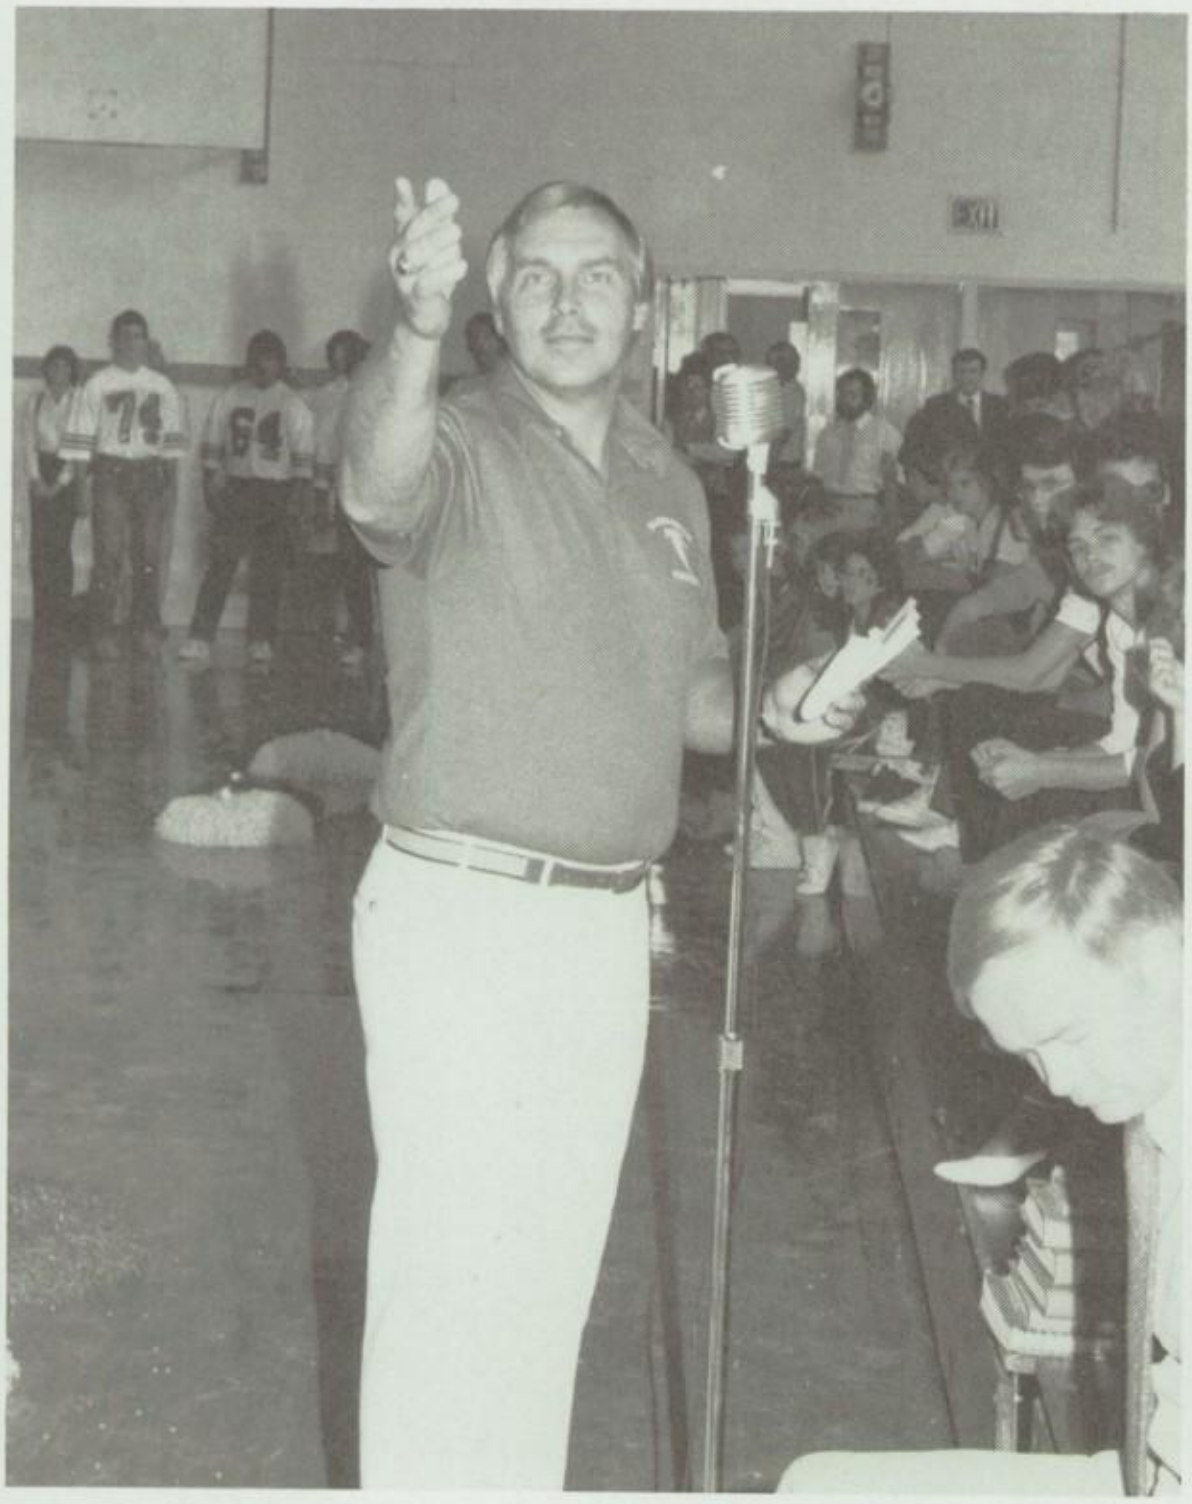




Mr. Reimer **(Right, top)** introduces the new Pet computers used in computer programming classes. **(Above)** Miss Holmes enjoys a question posed by a parent of her period 2 accounting class. **(Far right)** Parents absorbed in Mr. DiCerbo's discription of biology class. **(Right)** Mr. Pine discusses the importance of physical education and fitness.

Pep Rally

"Falcons, Falcons, that's our team." Pep rallys give the student body the opportunity to express their spirit and encourage our sport teams through cheers. With the help of the cheerleaders, band and coaches, pep rallys prepare us for the fall, winter and spring sport seasons.



Mr. Buesing introduces his coaching staff **(Top)** Co-Captain Gina Debiak **(Top, right)** leads the students in a cheer **(Right)** "Seniors are you with us?"

Oktoberfest

On October 12, 1983, Mrs. Whittemore and the German Club held an Oktoberfest in the cafeteria to promote interest in the German program here at Manchester. There were German foods, soft drinks, game booths, prizes, music, dancing and entertainment. Students, teachers and parents turned out to try a taste of German food or dance along side the Edelweiss Schuhplattler dancers of Passaic.

(Top) Two members of the Edelweiss Schuhplattler dancers entertain guests of the Oktoberfest. (above) **Steve Petkus, Heidi Habermans, John Fodi** and **Jim Williams,** serve hot dogs and sauerkraut. **Mr. DiCerbo** and **Ms. Schuring (Above, top)** enjoy dancing the German way. **(Right) Ms. Schuring** accepts **Mr. Dattolo's** invitation to dance.

(Top, left) Members of the dance troupe perform a traditional German dance for onlookers. **(Left)** A bell ringing member of the troupe. **(Right, top) Mary Beth Krupa** and **Tracy Gould** handle the ping pong throw booth. **(Middle) Mike Ivkovic** as a German lumberjack. **(Above)** Posing as a German **''Goerl'' Sue** smiles for the camera.

Homecoming

Homecoming Queen is a relatively new honor at Manchester. It originated during the 1981-82 school year and took the place of Miss Manchester. This year's candidates for Homecoming Queen submitted written requests to Mrs. Brown which included a list of activities and a brief essay on what they believe the role of school spirit is in a high school.

As the big pep rally approaches the nominees are voted for by all students during homeroom. At the rally, the candidates and their escorts are introduced and the Queen is announced. Your 1983-84 selection for Homecoming Queen, Gina Debiak, believes that "School spirit which gives you a sense of belonging, is the success and personality of a school. Getting involved in clubs and organizations helps you as well as your school grow. School spirit involves giving support in anyway you can for you only get out of a school what you put into it."

Homecoming Queen **Gina Debiak (Right)** is congratulated by her father at the Homecoming Football Game. **(Below)** Following the Queen's introduction, the Game begins.

(Above) Tension mounts as nominees **Gina Debiak** with escort **Jay Anthony** and **Laura Coscia** with escort **Ricky Cotroneo** await the announcement at the pep rally. **(Right) Gina** is crowned by last year's Queen, **Lori Van Hook.**

Junior Class Ring Party

On October 25, 1983 members of the Junior class received their school rings at a party held in the cafeteria. The Class of 85' will celebrate the schools 25th Anniversary and their ring was designed especially for this occasion by Junior Linda Marino.

At the party, soft drinks and donuts were served while rings were twisted for good luck.

Powderpuff Football

A tradition in the making. Once again it was the senior girls against the junior girls. Seniors' coach, Mr. McGarry, and juniors' coach Miss Berry, held several practices before the November 15th match. Though it threatened to rain, both teams took to the field. Despite plenty of spirit and effort, the senior girls could not pull it off; and the juniors went home the victors.

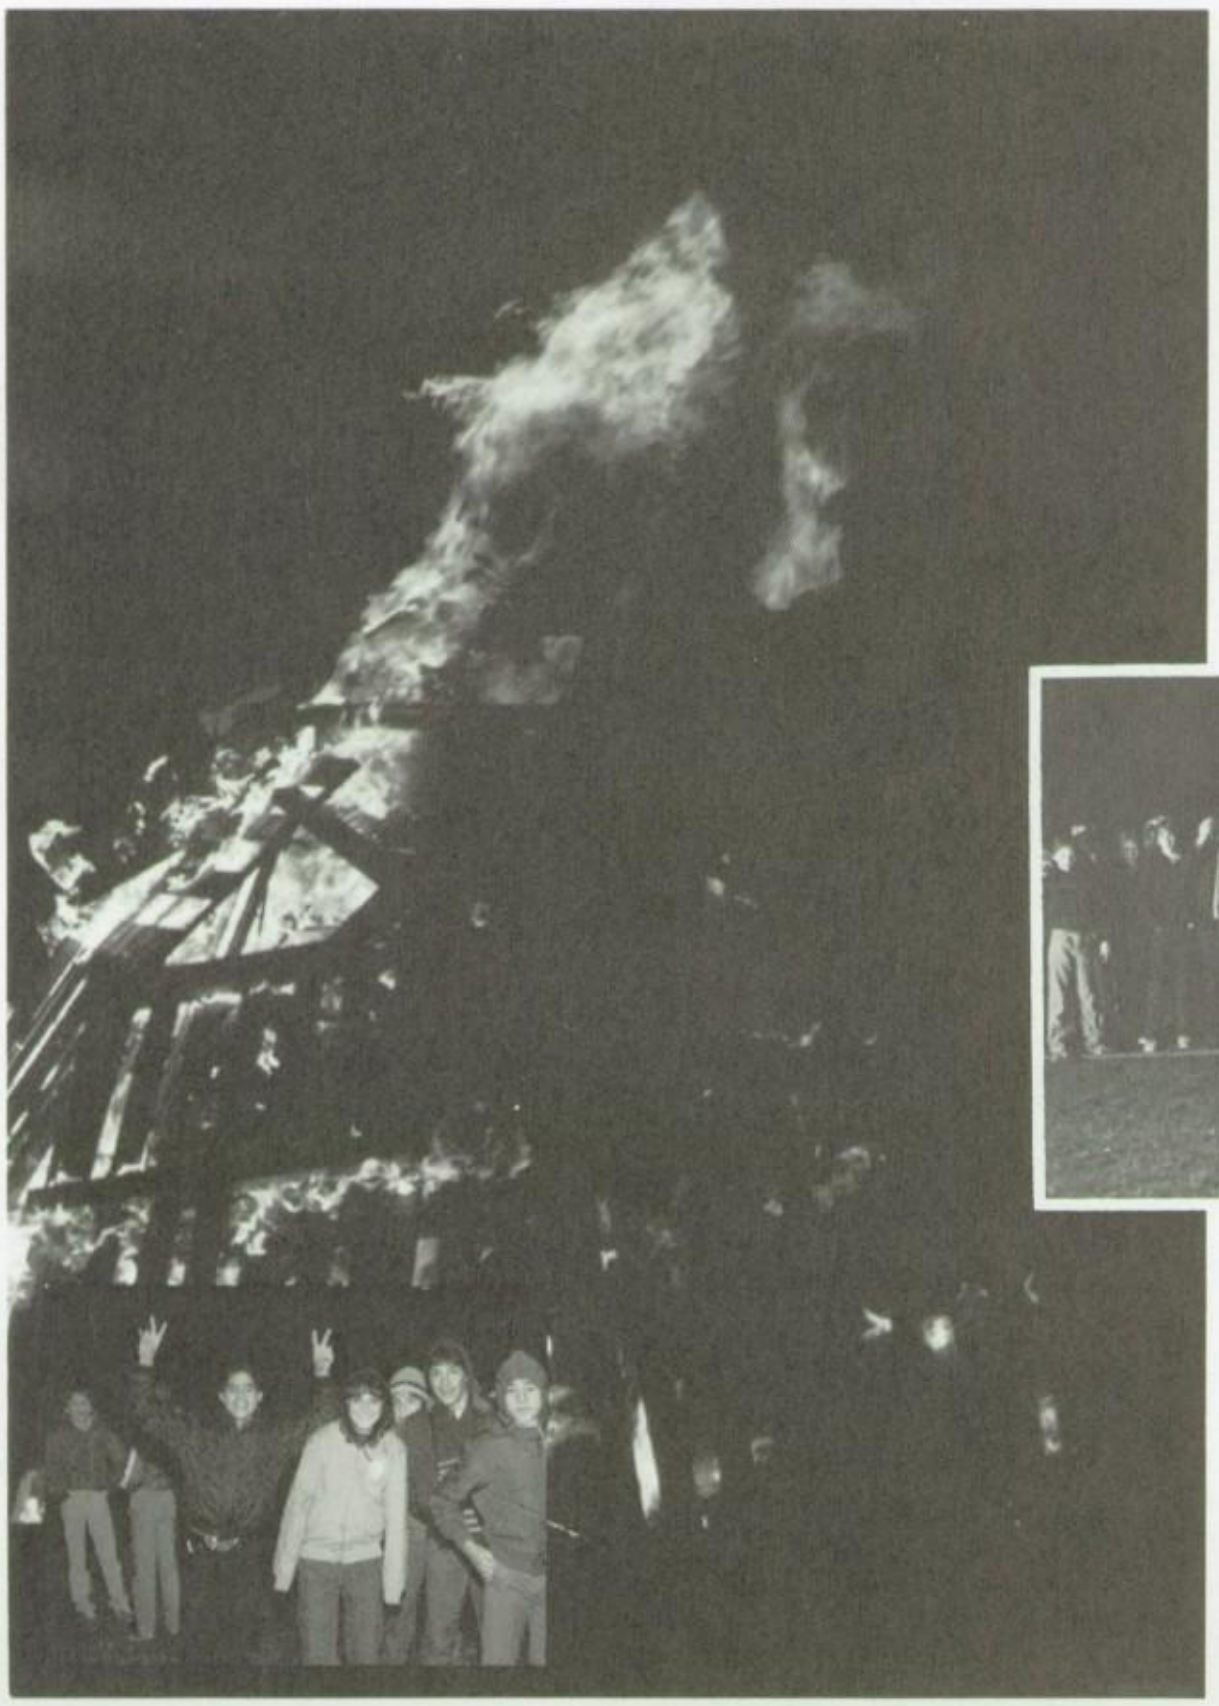
Thanksgiving Bonfire

Rain did not douse the fire or the spirits of the enthusiatic representation of students, faculty and friends who turned out for the pre-Thanksgiving Day football game pep rally. Each year the football team, band, cheerleaders and fans gather on the eve of the last game of the season to burn a replica of the Hawthorne mascot in preparation for this arch-rival match.



Flames engulf the Hawthorne Bear **(Left)** on the eve of the traditional Thanksgiving Day football game. Despite the rain, enthusiastic fans turned-out to cheer **(Above).**

The Thanksgiving Tradition

Pride was the issue as the Falcons and Bears, both with 2-6 records, clashed in the muddy trenches of this traditional Thanksgiving Day rivalry. Although victory was not in the cards for us this rainy Thanksgiving, Manchester refused to quit. Kevin Kurpick scored the lone touchdown and Tony Fierro threw to Clyde Loustan for the two point conversion in an effort to catch Hawthorne's 26 point lead. "It hurts, but that's what life is," said Head Coach Buesing following the defeat.

National Honor Society Induction

C L S S - CHARACTER, LEADERSHIP, SCHOLARSHIP AND SERVICE are the four bases on which a student must qualifty to be elected to membership in the National Honor Society. Election to the Honor Society is considered the highest award that may be conferred by Manchester Regional High School upon any member of the student body. Selection is made by a Faculty Honors Committee composed of the Principal, Mr. Spreen; Asst. Principal, Mr. Grandey; Director of Student Personnel Service, Mr. Heywang and the advisor, Mr. Dattolo. A checklist is given to all members of the faculty to determine the character of the candidates for the National Honor Society. A student may be selected to membership at the end of his sophomore or junior year. A grade point average no lower than 3.25 must be maintained until graduation. Also, a total of 5 activity points must be earned. Members are inducted to the National Honor Society annually at the investiture ceremony.

Christmas Concert

The 24th Annual Christmas Concert presented by the Manchester Regional High School music department was held on Wednesday, December 14, 1983 in the school auditorium. The student body and senior citizens from Haledon, North Haledon and Prospect Park were invited to a preview assembly during the day. The big production went on that evening at 8pm under the direction of Mr. Bender and Miss Riley. Performances by the Chorus, Madrigal Singers and Concert Band included "White Christmas", "Silent Night", "Sleigh Ride", and "The Hallelujah Chorus".

Individual and Family Life Christmas Party

Each year the Individual and Family Life classes, under the supervision of Ms. Schuring, hold a Christmas Party for children of friends and relatives of the students. This years party was attended by 40 youngsters. During this day long activity the children play games, hear holiday stories, make crafts, sing songs, enjoy snacks and meet Santa, Mrs. Claus and their Elf helpers.

Leap Year Dance

In honor of Leap Year, a year which has 366 days, the Student Council sponsored a dance in the school cafeteria on Friday, March 2, 1984. Leap Year is added to the calendar every four years in February to make the calendar year nearly the same as the time required for the sun to pass the vernal equinox twice. D.J. Kevin Lami, a graduate of Manchester, provided a good mix of music, while the students **(Above)** supplied the dancing. Mr. DiCerbo **(Right)** selects an LP.

Seniors vs. Faculty Volleyball

Each year the MEA (Manchester Education Association) sponsors a Senior/Faculty Volleyball and Basketball game. Proceeds are used for the scholarship fund given to a selected senior member of the graduating class. The senior girls and female faculty competed in three hard fought volleyball matches. The seniors triumphed over the faculty with two wins.

Senior vs Faculty Basketball

For the first time that anyone can remember, the senior boys beat the male members of the faculty in the MEA Senior/Faculty Basketball Game held on March 23, 1984 in the school gym. It was a close game from beginning to end but the faculty could not pull ahead as the last few seconds on the clock ticked away. When the buzzer rang, the seniors had defeated the faculty 48-43.

HOW TO PLAY GOLF

A golfer tries to hit the ball into a distant hole in the fewest strokes possible. Golfers compete against par, the number of strokes necessary to hit the ball into the hole. Par may vary from 3 to 5 strokes. A round of golf consists of 18 holes played in correct order. Play starts on small, flat area called the teeing ground. The golfer puts a ball on a tee and drives the ball to the putting green. There the golfer putts the ball, with short, gentle strokes into the hole. After holing out, hitting the ball into the hole, a golfer moves to the next teeing ground. Generally, a golfer may touch the ball only when placing it on the tee and removing it from the hole. Each golfer tries to keep the ball on the fairway, a stretch of mowed grass between the teeing ground and the putting green. The edges of the fairways and the approaches to the putting greens often have obstacles called bunkers. A bunker may be a mound or a sand trap. Many courses have creeks, ditches, ponds, or rivers. If a ball goes into one of these water hazards, the golfer may lift it out or play with another ball. But an extra stroke must be added to the score as a penalty. The holes are arranged so that the players on one hole are fairly safe from being hit by the balls of players on another hole. Sometimes golfers shout "Fore" to warn golfers ahead of them that a shot is about to be made. The equipment includes small, hard balls and long, slender clubs. Each club is designed to play a particular type of stroke or to hit the ball a certain distance. A golfer may use a maximum of 14 clubs during a round.

School Store

The School Store is run by students under the supervision of Mr. Fairweather. It is open during homeroom and lunch periods for purchases of items such as pens, pencils, paper, gym locks, gym uniforms, school jackets, T-shirts, etc.

SCHOOL STORE: (L to R) Jean Palach, Sue Reid, Mr. Fairweather, Gina Notorangelo, Diane Dean.

Student Council

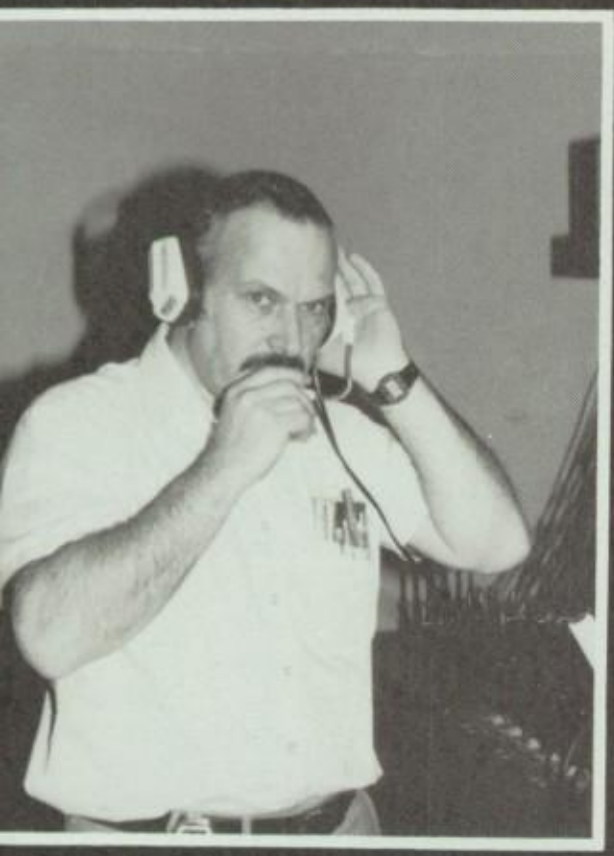
The Student Council is comprised of duly elected students representing the student body. The general aims of the Student Council are to provide students with an opportunity to govern themselves in the areas of extra-curricular activities, student projects and to promote an interest in the right kind of school citizenship. The Student Council consists of four executive officers and one representative for each homeroom. The Council is aided by a faculty advisor, Mrs. Brown.

STUDENT COUNCIL MEMBERS: (Back Row) Lila Cammarota, Tracey Ball, Tara Vitz, Mary Beth Krupa, Jim Williams, Mike Stanczak, George Trifoli, Ed Laman, Anthony Francin, Melissa Challice, Allison Graham, **(Third Row)** Tracy Gould, Kim Kowalski, Bernadette Vetere, Patty DeFranco, Kim Canete, Suzanne Kersbergen, Sandy Tafuri, Marie Bellofatto, Joann La Terra, **(Second Row)** James Affinito, Dana Oliver, Bonnie Wilson, Michelle Rizzi, Kim Walters, Kim Baldo, Gina Verrone, Leslie Connelly, Stacey DePalma, **(Front Row)** Barbara Hungler, Donna Sturm, Gina Debiak, Laura Coscia, Mrs. Brown, Debi Mol, Kathy McEntee, Anna Valenti, Kim Brown.

Stage Crew

The Stage Crew, under the direction of Mr. Tornow, is in charge of lighting, sound and sets for all productions held at Manchester. By the flick of a switch, they can bathe the stage in light so that every detail of the actors and setting is clearly visible . . . or so you can only see vague, creeping shapes. The crew can turn the stage into a comfortable living room and make doorbells ring. Members of the stage crew earn up to 5 activity points.

STAGE CREW: (Back Row) Andrew Cioffi, Harry Schutte, Charlie Dowling, Ray Mayer, **(Front Row)** Steve Posch, Steve Stammer, Rob Keyzer.



Yearbook: Aurion 1984

The Yearbook Staff began the preparation for Aurion '84 in late August. During the following ten months they participated in the monumental task of producing a yearbook. Decisions were made, photographs were taken, layouts drawn, copy written and money collected. The end result is a yearbook packed with memories, people and places you will remember always.

YEARBOOK STAFF: (Standing) Asst. Yearbook Advisor, Miss Holmes, Sue Goerl, Anne Scarlato, Amy Coral, Sue Visser, Rosemarie Bellofatto, Marilyn Doran, Chris Mabey, Ray Meyer, Charlie Dowling, Yearbook Advisor, Miss Doty, (Sitting) Joan Edel, Barb Hungler, Pati Jordan, Amy Kretzschmar, Renee Guiliano.
